Hennock School Newsletter Friday 20th October

Message from Head of School

Have a wonderful, well deserved rest over half term! Below are some dates for your diary for the following half term, which gets notoriously busy!

Wednesday 6th December Hennock School afternoon Christmas performance

Thursday 7th December Hennock School Evening Christmas Performance

Tuesday 12th December Hennock Christmas Church Service

Wednesday 13th Christmas Dinner

Friday 15th Last day of term and Christmas Jumper Day for Save the Children

Wednesday 3rd January – Spring Term commences

I will add more dates as we start the next half term so please keep an eye on newsletters and board notices. Thank you all. Sarah Clarke

Saplings News

This week in Saplings we have been learning about the festival of Diwali. We learnt that Diwali is the festival of lights and had a go at making our own Diya lamps and lanterns. We also learnt that Diwali was about celebrating new beginnings. The children enjoyed dressing up and dancing to Indian music, our home corner became an Indian sweet shop and we made milk bottle elephants as decorations. On Wednesday Toddlers joined us for Muddy Maths and we had a great time making Rangoli patterns in clay.

Willow News

Firstly, I'd like to say how proud I am of the year 1s and 2s this week who re-wrote their own version of our class story 'On the Way Home' as a big write. I could not have asked for them to have given more effort, more thoughtful consideration and application of everything they've learnt this unit or more pride in their work. Well done. You should feel very proud of the stories you've written.

We've been doing lots of work with pastels this week in art, which all the children have been very enthusiastic about and have created beautiful pastel artwork. Ada, Arlo and Effie, in particular, spent great lengths of time adding detail and perfecting their pictures.

I hope you all have an enjoyable and restful half term.

Ash News

Firstly we wish to say thank you so much to Gin Methley and her amazing parent helpers: Johnny Garrigan, Clare Williamson, Anne Hazleden and Sarah Mutch. Thanks to their fantastic leadership and support we have been able to run our Transition through Tool Use course for Years 5 & 6. Over the last month, we aimed to develop confidence, resilience and self esteem. The children have explored many skills including using a bow saw, fire lighting and whittling skills. Year 5 & 6 - We would be so grateful if you could spend time with your child and complete the feedback sheet so that we can capture evidence of this great learning.

Homework over the holidays is to learn the words to the play and read a book. There is no additional maths this week.
