Hennock School Newsletter Friday 8th December 2017

Message from Head of School

Goodness what a week!! The children have absolutely surpassed all expectations with their magical performance of 'Dream On' and most importantly have had such a fantastic time putting it together.

These kind of experiences are so very important for our pupils, they challenge comfort zones, they promote team work and supportive relationships, they develop confidence and an inner belief within a child and they bring joy to our community. I am hugely proud of every single member of our school and equally grateful to the staff and parents who throw their hearts and souls into such an experience and help to make it the success that it is undoubtedly is. Thank you.

We have one more week of learning and festivities before term ends. It'll be lovely to see you all at the Carol Concert at 2.15pm on Tuesday and then I hope you'll join us for Carols Round our Fire at 6pm on Thursday – this will be a very chilled, light hearted affair where we can all get together and sing a few songs and drink some warm blackcurrant!

Diary Dates

Monday 11th

Guitar lessons this week

Monday 11th December

Willow and Saplings Santa train trip

Tuesday 12th December

Carol service 2.15pm all welcome

Wednesday 13th December

Christmas meal

Saplings News

This week in Willows we have been busy creating our Christmas cards. The children also made some angels to be sold at the school production. They are absolutely gorgeous! There are still a few remaining if you would like to purchase one.

On Wednesday we watched the school production. We were so impressed by all the big children!

We can't wait to do our very own little performance during the carol service next week. The carol service is on Tuesday afternoon and we understand that not all the children are usually in. But please join us at the church if you are able to.

Willow News

What incredibly hard work and fantastic talent we have seen this week. I am so proud of all the children who have worked so hard on lines, volunteered to learn extra dances, learnt some tricky songs, given up their lunchtimes to practice and most importantly, gained so much confidence. They should be very proud of themselves. Furthermore, it has been lovely to see some of the older children in the class really supporting the younger ones.

Natural Learning has finished temporarily this term. We will be having a final, longer session at Methley Meadow in the Spring, which I will give you more details about closer to the time.

We have already started rehearsing for our next show. Please don't forget to join us in the church on Tuesday afternoon for our Christmas service and Nativity if you can.

Ash News

What a joy this week has been to work with the children on the final stages of putting together our production. We have truly had so much fun creating the play -we hope you enjoyed our taste of Shakespeare! Every single child tried their very best and discovered something new about their capabilities and confidence. We are very proud of you all, not just for the learning and progress you have made but also for the team attitude you have shown to creating a magical performance.

As if this wasn't enough some of our children have represented our school in Basketball and Netball events organized by Mr Flint. The Year 5 & 6 netball was a competitive event and we came second overall – another success!

May a fairy dust glow surround you all this weekend. *'I go... and don't come back...'*
