

Hennock News 13.7.18

Dear parents,

Wow, what a week. The children have had a simply amazing time and had such great experiences. This is what makes our school such a special little place to learn in. Thank you for all your support on a day to day basis and adding to the experience as a whole.

Dates until the end of term...

- **Tuesday 17th** Vic Pooler coming to visit Ash class. Please come and say hello after school
- **Thursday 19th Leavers Social.** This is a relaxed event for families to get together straight after school to celebrate and say goodbye to our leavers. We will fire up the pizza oven and cook pizza and the children can have a relaxed time with their friends whilst munching pizza. It will be 'add a dish' so please see Alison to decide what would be best to bring to the party food wise.
- **Tuesday 24th Leavers Assembly 1.45pm.** The children have been working hard putting together an assembly to be proud of to share with you all. Hope to see you there on our final day.
