Hennock News – 24th July 2018

Dear parents,

As the end of term approaches I'd like to give you a few messages and thank you for another brilliant year here. Please see the reverse of this letter for next year's term dates, they are also on our website.

Sport Provision

I would like to say a huge thank you to Tim Flint for all he has done for us in terms of sporting provision this year. Children and staff have had the most fantastic experiences thanks to his dedication and vision and I think it was really clear at sports day just how much our pupils have developed under his guidance. Staff have loved working with him and have developed their own skills through his CPD delivery. Next year we will be supported by Saints Southwest. They will be in to teach alongside our teachers, offering CPD and clubs. Matthew Tanner, who has a wealth of experience is our Physical Education Coordinator. Please see their website www.saintssouthwest.co.uk for further information. Tim and I are working on a number of projects next year and so he will continue to work closely with the children and staff here.

Robyn Harvey

...deserves a special mention. Robyn has been training this year with us for her NVQ level 3 Early Years and will continue to do so next year in our pre-school. She will also be coming to work alongside our staff in Willows and supporting children here. Thank you for all your hard work and creativity this year Robyn, you have made a real difference to our Saplings.

Toddlers

Toddler sessions will run in September from 9.30 – 11am on Wednesdays and be led by our Pre-school leader Gemma. We will continue with the monthly out and about sessions that will make good use of the outdoor environment. Please spread the word here and invite families with small children that you know.
